JACK DODDS

Jack was unable to attend the A.G.M., having been rushed to hospital, but all will be relieved to know that he is now making excellent progress and is now back home again, with permission to 'potter' in his garage.

Jack wishes to thank all his many friends in the Club for their good wishes and in particular the President for the presentation of the match case (should have been made at A.G.M.) but made on the President's behalf by Ernie Scott and Roger Saunders, on 30th May.

He thanks all his visitors for calling, and to the many who telephoned with their good wishes. They have done him a power of good!
